A Workers' Compensation Program Designed for Utah ABC Members

THE PROGRAM

The Utah Associated Builders and Contractors (ABC) has endorsed WCF Insurance as the carrier for ABC members' workers' compensation insurance coverage.

By combining benefits designed to meet Utah ABC members' needs with traditional services, the program offers the most comprehensive workers' compensation package available.

PREMIUM DISCOUNT

Eligible and enrolled Utah ABC members qualify for a 5% discount on their workers' compensation premiums.

PERSONALIZED SERVICE

Members have account service teams that work with the company to develop and implement a custom-tailored service plan that meets your needs.

LOSS PREVENTION

Participating Utah ABC members are required to comply with program provisions, including attendance at two industry-specific safety classes or seminars annually. To help meet this requirement, the WCF Safety Department offers free seminars exclusively for members in addition to classes already offered throughout the year.

CLAIMS MANAGEMENT

WCF offers the most convenient and exceptional claims management in the state. Claims can be filed at wcf.com or by phone or fax. Members can also utilize WCF's secure website to view filed claims, print loss runs and certificates of insurance, complete OSHA forms, and access other policy-specific information.

This workers' compensation program is being offered to all Utah ABC members who qualify. ABC members already insured with WCF are eligible for ABC savings on their workers' compensation premiums upon renewal.
